

## About the Facilitators

Wayne Kuhns serves as the Director of Spring of Hope Prayer Counseling Ministries in Waynesboro, PA, where he and his wife Ruth are prayer counselors. Wayne became an Ordained Pastor in 1992. Together they have served on Pastoral Leadership teams since 1969. They are graduates of the Basic and Advanced Elijah House training.

Wayne earned a Bachelor's Degree in Pastoral Ministry, a Master's Degree in Christian Counseling with an emphasis in family and teaching and an Honorary Doctor of Divinity Degree from International Seminary of Bible Theology.

Wayne has been teaching Elijah House training schools for Prayer Counseling Ministry since 2001, and has developed and taught programs for couples, families and leadership. He has taught extensively on Inner Healing, the Father's Love and the development of healthy relationships that first starts with the Heavenly Father and then follows by loving your neighbor as yourself. Wayne has traveled and taught Inner Healing and the Father's Love message in Canada, China, Ghana, Guatemala and The Philippines.

Melissa Varner is a professional photographer and business owner turned pastor, counselor, teacher, and coach. Since her credentialing, she has taken the Elijah House and her love for the classes spilled out in to her ministry. Now she is a facilitator and teaches the classes. A growing passion for counseling comes from a desire to see people walk in their God-given freedom. Not only does she love to be part of the staff at Spring of Hope, where the hearts of the people ministered to are the heartbeat of what we do, she loves to teach and equip others.

## About Spring of Hope

We are a life-giving ministry designed to bring hope and purpose to those in need for the community at large. We seek to do this by facilitating the process of restoring

- broken relationships
- hurting families
- wounded lives

We are committed to this task in the name of Jesus Christ through prayer counseling ministry and Biblically based teaching.

## Purpose of Elijah House Training

- To provide students with a clear view of Christ-centered healing and its foundation in Scripture.
- To share God's unconditional love in healing relationships.
- To recognize and understand common problems and patterns of difficulty in people's lives, and identifying wounds and roots of bitterness (tracking from fruit to root).
- To develop fundamental skills of ministry and the ability to operate under the guidance and direction of the Holy Spirit, and develop a thorough understanding of biblical principles and their application in relation to counseling.
