About Spring of Hope

We are a life-giving ministry designed to bring hope and purpose to those in need for the community at large. We seek to do this by facilitating the process of restoring broken relationships, hurting families, and healing of wounded lives through prayer counseling ministry and Biblically-based teaching.

We are committed to the task of restoring broken relationships and bringing healing to the hurting and wounded in the name of Jesus Christ.

Purpose of Elijah House Training

- ◆ To provide students with a clear view of Christ-centered healing and its foundation in Scripture.
- ◆ To share God's unconditional love in healing relationships.
- ◆ To recognize and understand common problems and patterns of difficulty in people's lives, and identifying wounds and roots of bitterness (tracking from fruit to root).
- ◆ To develop fundamental skills of ministry, the ability to operate under the guidance and direction of the Holy Spirit and a thorough understanding of Biblical principles and their application in relation to counseling.
